# Mohit Lakhara

Full-Stack App & Web Developer at Fudode | Specialized in MERN, Next.js, & React Native (Expo) | UI/UX Designer | BCA Student at Lachoo Memorial College

Jodhpur, Rajasthan, India

## Summary

I am a Full-Stack Developer and BCA student at Lachoo Memorial College, dedicated to building high-performance, user-centric web and mobile experiences. Currently, I am actively working as a Full-stack App and Web Developer at Fudode, where I leverage the MERN stack, Next.js, and React Native (Expo) to create scalable digital solutions. I believe that exceptional technology is rooted in intuitive design. By integrating UI/UX design principles with robust backend architectures like PostgreSQL and MongoDB, I focus on crafting seamless user journeys from concept to deployment.
